

Wildlife Commission, Jordan Lake State Park celebran la fiesta de pescar familiar el sábado 8 de abril

Wildlife Commission y Jordan Lake State Park tendrán un evento de pescar gratis el 8 de abril de 10 por la mañana a 3 por la tarde, en el White Oak Recreation Area, la calle White Oak Beach, Apex, en el condado de Chatham.

La Fiesta Familiar de Pesca incluirá las actividades interactivas y prácticas donde los participantes podrán pescar, aprender a filetear y probar los pescados en la parrilla. Más de una docena de estaciones tendrán juegos de pescar y actividades como:

- Una estación "Backyard Bass" donde las familias pueden desarrollar sus habilidades de lanzamiento.
- Una demostración de pescar en kayak con Cabela's.
- Una estación de cebos con los estudiantes de la Sociedad de Pescar Estudiantil de NCSU.

Los estudiantes pueden conocer y hablar con personal policial y los profesionales de la conservación, sobre carreras en manejo de recursos naturales. Las cañas de pescar y el cebo estarán disponibles.

Habrà una rifa a las 2 por la tarde con premios y entretenimiento musical. Los pescadores que tienen 12 años o más pueden participar en la rifa para ganar una licencia de pescar de toda la vida, un contenedor de compostaje o una suscripción a la revista laureada de Wildlife Commision, que se llama Wildlife de Carolina de Norte. Todos los jóvenes que tienen 11 años o menos y participan en la búsqueda de tesoros, recibirán una caja de anzuelos gratis y la oportunidad de participar en la rifa de los jóvenes para las cañas de pescar y los chalecos salvavidas.

El evento es copatrocinado por la Sociedad Americana de Pescar y Los Amigos de Parques Estatales.

Los socios incluyen: la Conexión Hispánica, la Academia de Inmersión Española, Cabela's, Bass Pro, el Auxiliar de la Guardia Costera, la Asamblea del Río Haw, la Fundación del Río Guardián, el Lago Limpiado de Jordán, el Cuerpo de Ingenieros del Ejército y el Servicio de Pescar y Vida Salvaje de los Estados Unidos.

"La Comisión de Vida Salvaje y el Parque Estatal del Lago Jordán les invita a usted y su familia a un día libre, divertido y educativo", dijo CC King, una educadora de la Comisión. "Llueva o truene, vamos a pescar y divertirnos."

"El año pasado tuvimos una participación maravillosa de familias, con muchas

solicitudes para tener este evento cada año", dijo King. "Sea nuestro invitado. Toda la familia puede pescar sin pagar durante el día. Recuerde que todos los días en Carolina del Norte, los niños menores de 16 años pueden pescar gratis. Compre el almuerzo de uno de los camiones de comida o pueden traer un almuerzo de picnic para disfrutar en el gran pabellón."

Para obtener más información sobre la Fiesta de Pescar Familiar, visite <http://www.ncwildlife.org/fiesta> o el Parque Estatal de Lago Jordán.

El área de recreación de White Oak se encuentra en la autovía 64 en el este del lago, al frente diagonalmente al Centro de Visitantes de Jordan Lake.

Wildlife Commission, Jordan Lake State Park host family fishing fiesta

The N.C. Wildlife Resources Commission and Jordan Lake State Park are hosting a free fishing event on April 8 from 10 a.m. to 3 p.m., at the White Oak Recreation Area, located on White Oak Beach Rd., in Chatham County.

The Family Fishing Fiesta will feature more than a dozen hands-on activities where participants can fish, cast, learn to filet fish and taste-test at the grill. Fishing games and activities include:

Backyard Bass station where families can develop their casting skills.

Kayak fishing experience with Cabela's. Lures demonstration station with students from NCSU Student Fisheries Society.

Students can chat with conservation and law enforcement professionals about careers in natural resources. Loaner fishing rods and

bait will be available.

A raffle scheduled for 2 p.m. will feature musical entertainment and a prize drawing. Anglers 12 and older can enter to win a lifetime freshwater fishing license, a composting bin or a three-year subscription to the Wildlife Commission's award-winning magazine, Wildlife in North Carolina. Youth 11 and younger who participate in the scavenger hunt will receive a free tackle box and a chance to enter the youth drawing to win prizes such as fishing poles and life jackets.

The event is co-sponsored by the American Fisheries Society and Friends of State Parks.

Partners include: The Hispanic Connection, Immersion Spanish Language Academy, Cabela's, Bass Pro, Coast Guard Auxiliary, Haw River Assembly, The River Guardian

Foundation, Clean Jordan Lake, U.S. Army Corps of Engineers, and U.S. Fish and Wildlife Service.

"The Wildlife Commission and Jordan Lake State Park invite you and your family to a free, fun-filled and educational day for the public," said CC King, an educator with the Commission. "Rain or shine, we will fish and have fun."

"Last year we had a wonderful turnout of families, with countless requests to make this an annual event," King said. "Be our guest. The whole family can fish free for the day. Remember, every day in North Carolina, kids under 16 fish for free. Buy lunch from one of the food trucks or bring a picnic lunch to enjoy in the large pavilion."

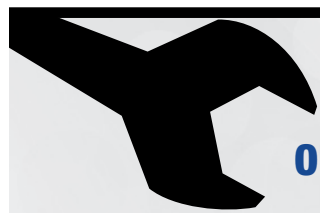

For more information on the Family Fishing Fiesta, visit www.ncwildlife.org/fiesta or Jordan Lake State Park.

The White Oak Recreation Area is located in Apex off U.S. 64 on the east side of the lake, diagonal from the Jordan Lake Visitor Center.

Since 1947, the North Carolina Wildlife Resources Commission has been dedicated to the conservation and sustainability of the state's fish and wildlife resources through research, scientific management, wise use, and public input. The Commission is the state regulatory agency responsible for the enforcement of fishing, hunting, trapping and boating laws and provides programs and opportunities for wildlife-related educational, recreational and sporting activities.
