

Communities In Schools of Chatham County

to host Annual Fundraiser

On Sunday, April 23, Communities In Schools of Chatham County will host our first annual Celebration of Educators fundraising event in downtown Siler City at the new Peppercorn Restaurant. This fundraising event will build sustaining support for youth in need throughout Chatham County and honor each of the 2017 Chatham County Teachers of the Year.

Festivities will begin in Siler City on the Downtown Rotary Stage at the NC Arts Incubator at 4 p.m.. Dinner will be served across the street from the stage at the beautiful Peppercorn Restaurant at 6 p.m..

Between 4 and 6 p.m., the event will feature live student performances on the Downtown Rotary Stage with student art displayed in the NC Arts Incubator and Courtyard Coffee & Soda Cafe. Music and Art will be presented from students representing the 17 schools of the Chatham County School District. The Mural Society of Siler City will give walking Tours of the unique Downtown Siler City Murals.

At 6 p.m., a scrumptious meal and delicious desserts from local chefs and Angelina of Angelina's Kitchen in Pittsboro will be served at the Peppercorn Restaurant. Attendance at the dinner not only supports Communities In Schools of Chatham County but also affords attendees a chance to win some great prizes in our raffle, fellowship with other supporters of Chatham County youth and an intimate opportunity to honor the 2017 Chatham County Teachers of the Year!

While viewing the art, performances or mural tours are open to all, dinner tickets are \$30 each, available at www.cischatham.org. If you are unable to attend and would like to contribute in other ways, information on charitable giving or becoming an event sponsor can also be found at the website or by calling the agency at 919.663.0116.

Communities In Schools Chatham County (formerly Chatham County Together!)

has been serving youth of Chatham County since 1989, but serve less than 1 out of 10 children who need us. We need your support to serve the other 9 out of 10.
