exploring the beauty and diversity of Chatham's natural and cultural abundance

North Carolina's State Flower A sure sign of spring in Chatham County and all across the Tar Heel state is the beautiful blossoming of the dogwood, (*Cornus florida*), also know as boxwood and cornel. Because of its abundance throughout the state, the dogwood was able on March 15, 1941 to fend off its most competitive opponent, the flame azalea, to be approved by the North Carolina Legislature as the state's official flower.

**These are challenging times.**  
Your neighbors in the Chatham County Democratic Party hope you are well, and staying at home, and remaining safe. Democrats know that we are all in this together and this is a time to take care of one another.

Still, there's an election in November and we continue to prepare for it, but under new challenging circumstances.

In compliance with Governor Cooper's order, we are moving our County and District Conventions to a virtual platform and new dates.

**Chatham County Democratic Party County Convention**  
**April 25, 2020, 12 Noon–2pm**  
For more information on the convention, visit [www.CCDPConvention.org](http://www.CCDPConvention.org)

The 4th and 13th Congressional District Conventions will be virtual conventions on May 16, 2020.
